UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

9 HAROLD D. STANBACK,

10 Plaintiff,

11 v.

12 LOUIS DEJOY, Postmaster General, United
13 States Postal Service,

14 Defendant.

Case No. 3:23-cv-05731-TMC

PROTECTIVE ORDER

15 1. PURPOSES AND LIMITATIONS

16 Discovery in this action is likely to involve production of confidential, proprietary, or
17 private information for which special protection may be warranted. Accordingly, the parties hereby
18 stipulate to and petition the court to enter the following Stipulated Protective Order. The parties
19 acknowledge that this agreement is consistent with LCR 26(c). It does not confer blanket
20 protection on all disclosures or responses to discovery, the protection it affords from public
21 disclosure and use extends only to the limited information or items that are entitled to confidential
22 treatment under the applicable legal principles, and it does not presumptively entitle parties to file
23 confidential information under seal.

24
PROTECTIVE ORDER
[Case No. 3:23-cv-05731-TMC] - 1

UNITED STATES ATTORNEY
700 STEWART STREET, SUITE 5220
SEATTLE, WASHINGTON 98101-1271
206-553-7970

1 2. **"CONFIDENTIAL" MATERIAL**

2 "Confidential" material shall include the following documents and tangible things
3 produced or otherwise exchanged:

4 • Personnel and employment-related records of any current or former government
5 employee;

6 • Documents related to any other current or former government employee's protected
7 activity; and

8 • Any other records whose release without a protective order would potentially
9 violate the Privacy Act, 5 U.S.C. § 552a.

10 3. **SCOPE**

11 The protections conferred by this agreement cover not only confidential material (as
12 defined above), but also (1) any information copied or extracted from confidential material; (2) all
13 copies, excerpts, summaries, or compilations of confidential material; and (3) any testimony,
14 conversations, or presentations by parties or their counsel that might reveal confidential material.

15 However, the protections conferred by this agreement do not cover information that is in
16 the public domain or becomes part of the public domain through trial or otherwise.

17 4. **ACCESS TO AND USE OF CONFIDENTIAL MATERIAL**

18 4.1 **Basic Principles.** A receiving party may use confidential material that is disclosed
19 or produced by another party or by a non-party in connection with this case only for prosecuting,
20 defending, or attempting to settle this litigation. Confidential material may be disclosed only to the
21 categories of persons and under the conditions described in this agreement. Confidential material
22 must be stored and maintained by a receiving party at a location and in a secure manner that ensures
23 that access is limited to the persons authorized under this agreement.

1 4.2 Disclosure of “CONFIDENTIAL” Information or Items. Unless otherwise ordered
2 by the court or permitted in writing by the designating party, a receiving party may disclose any
3 confidential material only to:

4 (a) the receiving party’s counsel of record in this action, as well as employees
5 of counsel to whom it is reasonably necessary to disclose the information for this litigation;

6 (b) the officers, directors, and employees (including in house counsel) of the
7 receiving party to whom disclosure is reasonably necessary for this litigation, unless the parties
8 agree that a particular document or material produced is for Attorney’s Eyes Only and is so
9 designated;

10 (c) experts and consultants to whom disclosure is reasonably necessary for this
11 litigation and who have signed the “Acknowledgment and Agreement to Be Bound” (Exhibit A);

12 (d) the court, court personnel, and court reporters and their staff;

13 (e) copy or imaging services retained by counsel to assist in the duplication of
14 confidential material, provided that counsel for the party retaining the copy or imaging service
15 instructs the service not to disclose any confidential material to third parties and to immediately
16 return all originals and copies of any confidential material;

17 (f) during their depositions, witnesses in the action to whom disclosure is
18 reasonably necessary and who have signed the “Acknowledgment and Agreement to Be Bound”
19 (Exhibit A), unless otherwise agreed by the designating party or ordered by the court. Pages of
20 transcribed deposition testimony or exhibits to depositions that reveal confidential material must
21 be separately bound by the court reporter and may not be disclosed to anyone except as permitted
22 under this agreement;

23 (g) the author or recipient of a document containing the information or a
24 custodian or other person who otherwise possessed or knew the information.

1 4.3 Filing Confidential Material. Before filing confidential material or discussing or
 2 referencing such material in court filings, the filing party shall confer with the designating party,
 3 in accordance with Local Civil Rule 5(g)(3)(A), to determine whether the designating party will
 4 remove the confidential designation, whether the document can be redacted, or whether a motion
 5 to seal or stipulation and proposed order is warranted. During the meet and confer process, the
 6 designating party must identify the basis for sealing the specific confidential information at issue,
 7 and the filing party shall include this basis in its motion to seal, along with any objection to sealing
 8 the information at issue. Local Civil Rule 5(g) sets forth the procedures that must be followed and
 9 the standards that will be applied when a party seeks permission from the court to file material
 10 under seal. A party who seeks to maintain the confidentiality of its information must satisfy the
 11 requirements of Local Civil Rule 5(g)(3)(B), even if it is not the party filing the motion to seal.
 12 Failure to satisfy this requirement will result in the motion to seal being denied, in accordance with
 13 the strong presumption of public access to the Court's files.

14 5. DESIGNATING PROTECTED MATERIAL

15 5.1 Exercise of Restraint and Care in Designating Material for Protection. Each party
 16 or non-party that designates information or items for protection under this agreement must take
 17 care to limit any such designation to specific material that qualifies under the appropriate
 18 standards. The designating party must designate for protection only those parts of material,
 19 documents, items, or oral or written communications that qualify, so that other portions of the
 20 material, documents, items, or communications for which protection is not warranted are not swept
 21 unjustifiably within the ambit of this agreement.

22 Mass, indiscriminate, or routinized designations are prohibited. Designations that are
 23 shown to be clearly unjustified or that have been made for an improper purpose (e.g., to
 24

1 unnecessarily encumber or delay the case development process or to impose unnecessary expenses
2 and burdens on other parties) expose the designating party to sanctions.

3 If it comes to a designating party's attention that information or items that it designated for
4 protection do not qualify for protection, the designating party must promptly notify all other parties
5 that it is withdrawing the mistaken designation.

6 5.2 Manner and Timing of Designations. Except as otherwise provided in this
7 agreement (see, e.g., second paragraph of section 5.2(b) below), or as otherwise stipulated or
8 ordered, disclosure or discovery material that qualifies for protection under this agreement must
9 be clearly so designated before or when the material is disclosed or produced.

10 (a) Information in documentary form: (e.g., paper or electronic documents and
11 deposition exhibits, but excluding transcripts of depositions or other pretrial or trial proceedings),
12 the designating party must affix the word "CONFIDENTIAL" to each page that contains
13 confidential material. If only a portion or portions of the material on a page qualifies for protection,
14 the producing party also must clearly identify the protected portion(s) (e.g., by making appropriate
15 markings in the margins).

16 (b) Testimony given in deposition or in other pretrial proceedings: the parties
17 and any participating non-parties must identify on the record, during the deposition or other pretrial
18 proceeding, all protected testimony, without prejudice to their right to so designate other testimony
19 after reviewing the transcript. Any party or non-party may, within fifteen days after receiving the
20 transcript of the deposition or other pretrial proceeding, designate portions of the transcript, or
21 exhibits thereto, as confidential. If a party or non-party desires to protect confidential information
22 at trial, the issue should be addressed during the pre-trial conference.

23 (c) Other tangible items: the producing party must affix in a prominent place
24 on the exterior of the container or containers in which the information or item is stored the word

1 “CONFIDENTIAL.” If only a portion or portions of the information or item warrant protection,
 2 the producing party, to the extent practicable, shall identify the protected portion(s).

3 5.3 Inadvertent Failures to Designate. If timely corrected, an inadvertent failure to
 4 designate qualified information or items does not, standing alone, waive the designating party’s
 5 right to secure protection under this agreement for such material. Upon timely correction of a
 6 designation, the receiving party must make reasonable efforts to ensure that the material is treated
 7 in accordance with the provisions of this agreement.

8 6. CHALLENGING CONFIDENTIALITY DESIGNATIONS

9 6.1 Timing of Challenges. Any party or non-party may challenge a designation of
 10 confidentiality at any time. Unless a prompt challenge to a designating party’s confidentiality
 11 designation is necessary to avoid foreseeable, substantial unfairness, unnecessary economic
 12 burdens, or a significant disruption or delay of the litigation, a party does not waive its right to
 13 challenge a confidentiality designation by electing not to mount a challenge promptly after the
 14 original designation is disclosed.

15 6.2 Meet and Confer. The parties must make every attempt to resolve any dispute
 16 regarding confidential designations without court involvement. Any motion regarding confidential
 17 designations or for a protective order must include a certification, in the motion or in a declaration
 18 or affidavit, that the movant has engaged in a good faith meet and confer conference with other
 19 affected parties in an effort to resolve the dispute without court action. The certification must list
 20 the date, manner, and participants to the conference. A good faith effort to confer requires a face-
 21 to-face meeting or a telephone conference.

22 6.3 Judicial Intervention. If the parties cannot resolve a challenge without court
 23 intervention, the designating party may file and serve a motion to retain confidentiality under Local
 24 Civil Rule 7 (and in compliance with Local Civil Rule 5(g), if applicable). The burden of

1 persuasion in any such motion shall be on the designating party. Frivolous challenges, and those
 2 made for an improper purpose (*e.g.*, to harass or impose unnecessary expenses and burdens on
 3 other parties) may expose the challenging party to sanctions. All parties shall continue to maintain
 4 the material in question as confidential until the court rules on the challenge.

5 **7. PROTECTED MATERIAL SUBPOENAED OR ORDERED PRODUCED IN OTHER**
 6 **LITIGATION**

7 If a party is served with a subpoena or a court order issued in other litigation that compels
 8 disclosure of any information or items designated in this action as “CONFIDENTIAL,” that party
 9 must:

10 (a) promptly notify the designating party in writing and include a copy of the
 11 subpoena or court order;

12 (b) promptly notify in writing the party who caused the subpoena or order to
 13 issue in the other litigation that some or all of the material covered by the subpoena or order is
 14 subject to this agreement. Such notification shall include a copy of this agreement; and

15 (c) cooperate with respect to all reasonable procedures sought to be pursued by
 16 the designating party whose confidential material may be affected.

17 **8. UNAUTHORIZED DISCLOSURE OF PROTECTED MATERIAL**

18 If a receiving party learns that, by inadvertence or otherwise, it has disclosed confidential
 19 material to any person or in any circumstance not authorized under this agreement, the receiving
 20 party must immediately (a) notify in writing the designating party of the unauthorized disclosures,
 21 (b) use its best efforts to retrieve all unauthorized copies of the protected material, (c) inform the
 22 person or persons to whom unauthorized disclosures were made of all the terms of this agreement,
 23 and (d) request that such person or persons execute the “Acknowledgment and Agreement to Be
 24 Bound” that is attached hereto as Exhibit A.

1 9. INADVERTENT PRODUCTION OF PRIVILEGED OR OTHERWISE PROTECTED
 2 MATERIAL

3 When a producing party gives notice to receiving parties that certain inadvertently
 4 produced material is subject to a claim of privilege or other protection, the obligations of the
 5 receiving parties are those set forth in Federal Rule of Civil Procedure 26(b)(5)(B). This provision
 6 is not intended to modify whatever procedure may be established in an e-discovery order or
 7 agreement that provides for production without prior privilege review. The parties agree to the
 8 entry of a non-waiver order under Fed. R. Evid. 502(d) as set forth herein.

9 10. NON TERMINATION AND RETURN OF DOCUMENTS

10 Within 60 days after the termination of this action, including all appeals, each receiving
 11 party must return all confidential material to the producing party, including all copies, extracts and
 12 summaries thereof. Alternatively, the parties may agree upon appropriate methods of destruction.

13 Notwithstanding this provision, counsel are entitled to retain one archival copy of all
 14 documents filed with the court, trial, deposition, and hearing transcripts, correspondence,
 15 deposition and trial exhibits, expert reports, attorney work product, and consultant and expert work
 16 product, even if such materials contain confidential material.

17 The confidentiality obligations imposed by this agreement shall remain in effect until a
 18 designating party agrees otherwise in writing or a court orders otherwise.

19 IT IS FURTHER ORDERED that pursuant to Fed. R. Evid. 502(d), the production of any
 20 documents, electronically stored information (ESI) or information, whether inadvertent or
 21 otherwise, in this proceeding shall not, for the purposes of this proceeding or any other federal or
 22 state proceeding, constitute a waiver by the producing party of any privilege applicable to those
 23 documents, including the attorney-client privilege, attorney work-product protection, or any other
 24 privilege or protection recognized by law. This Order shall be interpreted to provide the maximum

1 protection allowed by Fed. R. Evid. 502(d). The provisions of Fed. R. Evid. 502(b) do not apply.
2 Nothing contained herein is intended to or shall serve to limit a party's right to conduct a review
3 of documents, ESI or information (including metadata) for relevance, responsiveness and/or
4 segregation of privileged and/or protected information before production. Information produced
5 in discovery that is protected as privileged or work product shall be immediately returned to the
6 producing party.
